

Volunteering for all!

- Wirral Mencap can help you to find volunteering jobs in your community.
- For example maybe you would like to help in a charity shop or work with animals.
- You will meet Julie at Wirral Mencap and she will get to know you.
- She will find out what you like doing and what you are good at.
- If you need some help volunteering, she can help to find you a volunteer buddy to support you. Your buddy can help you find your way to the place where you are volunteering and to understand what tasks you need to do.
- To find out more call the office on 0151 666 1829
- Or email: jcrossley@mencapwirral.org.uk
